

## Medical Practices

# LANDIN WILCOCK & CO

We have been members of the Association of Independent Specialist Medical Accountants (AISMA) since 1996 and act for a considerable number of medical practitioners.

We have both the knowledge and experience necessary to give a full service for medical practitioners, as follows:

- Preparation of accounts which match the guidelines
- Preparation of budgets and cashflows
- Drawings planning
- Statistical comparisons with national and local averages
- Superannuation
- Financial services, retirement and estate planning
- Full BACS payroll service
- Property financing and advice
- IT installation, training support and advice
